Germany in a Nutshell

from the Bavarian Alpes to Saxonia, Prussia and the North Sea - with Heidelberg and the Rhine

Rotary Youth Exchange Pre-Preconvention-Tour
23rd to 30th May 2019

Starting at Frankfurt (FRA) Airport and ending at Hamburg in due time for the Preconvention.

King Ludwig's Castle Neuschwanstein

Our Grand Tour will take us to some of the most picturesque regions in Germany: from the Rhine Valley with its vineyards (and a wine tasting), with busy Frankfurt to romantic

Heidelberg and the Bavarian Alps. From medieval Nuremberg to baroque residence cities like Dresden and Potsdam. And to our capital city Berlin, once divided, now an exuberant metropolis.

Finally we will get you to Hamburg, the host city of RI's World Convention 2019.

You will get a pretty good idea how Germany is these days - the diversity, the traditions, the cuisine, will have a good beer at Munich's Hofbräuhaus. You will see a varied landscape - from the Alps to the Northern plains, architecture and culture. And a good shot of Central European History: Martin Luther's Wittenberg, King Ludwig's Castles, the reunification of East and West, which we are really proud of. And - last but not least - you will enjoy the company of fellow Rotarians, have a chance to meet and talk in a relaxed atmosphere, making friends or refreshing friendship.

Welcome to our wonderful country

Franz-Josef-Aka, Chairman RYE Multidistrict Germany
