ABOUT ROSLAGEN

Roslagen is located one hour north of Stockholm. You will be staying at Kapellskärs Camping, kapellskarscamping.se. A popular camping place.

500 meters from Kapellskär, ferries go to Mariehamn on Åland, among other places. The trip to Åland takes 2.5 hours.

There will be opportunities to enjoy many activities such as stand up paddling, and kayaking, cycling, mini-golf, etc.

STOCKHOLM

Stockholm is the capital of Sweden. We will visit Stockholm for two days. The first day we will visit the Old Town (gamla stan) with its narrow streets and cobble streets. Among the things you will visit are the royal castle, change of guards, the Nobel Museum, and see many historical buildings.

The second day it's time for Djurgården. Here is the ABBA museum, the Wasa museum and lots of others. One of the most popular activities is the visit to the amusement park Gröna Lund with their many rides and entertainment.

WELCOME

A warm welcome to Roslagen and the Stockholm archipelago, a summer paradise north of Stockholm.

Norrtälje Rotary Club is the oldest Rotary club in Norrtälje. We have several exchange students and NGSE trainees.

District 2350 is the largest district in Sweden. With 60+ clubs and about 3000 members.

Welcome to our first summer camp in Roslagen!

---Lotta Unosson, presiden Norrtälje RC

We are excited to add to our Rotary youth exchange program a summer camp and share a little piece of Sweden. You will experience a close connection with nature and the Stockholm archipelago.

--- Anders Eriksson, DC 2350 Sweden
